Description:

Praise for USA Today bestselling author, Connie Shelton, and her first novel: An impressive debut mystery! -- Albuquerque Journal Charlie is slick, appealing and nobodys fool--just what readers want in an amateur sleuth. -- Booklist This is a dandy. Dont miss it! -- Book Talk In this

debut mystery series novel, Charlie Parker, accountant and partner in an Albuquerque private investigation firm, is visited by her old school friend, Stacy North. Stacy's Rolex watch is missing and she begs Charlie to help locate it before her husband finds out. Things are complicated by the fact that Stacy had been seeing another man, Gary Detweiler, and he's the one she suspects of having stolen the watch. With a little detective work, Charlie and her sidekick dog, Rusty, retrieve the missing watch and all should be well. But three days later, Detweiler is murdered. All eyes turn to Stacy as the prime suspect. Once again, Stacy begs Charlie's help in proving her innocence. As she begins to ask questions, Charlie learns that Detweiler's life was not as simple as first perceived and that any number of people had grievances against him. And before she can pinpoint the killer, her own life is in danger as well. Includes new foreword from the author upon the 20th anniversary of first publication of this ongoing series first title. Praise for the other books in the Charlie Parker mystery series: A well written, by the book who-done-it that will enthrall purists. This read a little like a cozy mystery with all of the descriptions of food. Cozys always have good recipes though. For some reason the author thinks she has to go into long descriptions of every bit of food that went into Charlie's mouth. We also got descriptions of every person she met and what every car that drove past her looked like. The police arrested Tracy because a man that was murdered had stolen her watch. Really? They then released her but said she was still under arrest. I found this story just a bit too tedious. No plot.
