I first met Andrea & Lisa when I interviewed them about their Speaking Their Truth Vol.1 book on my BlogTalkRadio program Blessings for Your Soul. I was impressed with their enthusiasm and passion for inspiring and empowering writers as well as their publishing knowledge. They mentioned they were going to publish a second edition. I never thought I would be a contributor but feel blessed to have had my story The Power of Love published in this powerful anthology. When I received the print draft and began to read all the stories, my heart was filled with love. I am moved by the vulnerability, strength and willingness of all the contributors. I would encourage anyone looking to be inspired or reminded that we are all similar in our stories to grab a copy of this book. It is a great support if you are experiencing any personal shifts in your life.
