Description:

My love for photography and flowers has led me to create this book. Over the years I have taken thousands of pictures of flowers. My passion for these amazing natural gifts has inspired me to visit parks, botanical garden and just anywhere I can find them. I believe flowers are one of the most beautiful things in nature and should be appreciated by everyone. My hopes in releasing this book are that it can bring the beauty of flowers to people and maybe even inspire them to go find theyre own passion in the world. If anything I hope you all take the time to Stop And Smell The Flowers.
